Types of Scrip

Physical Cards

Physical cards are normal gift cards just like you'd get at the store. When you place an order for physical cards, your Coordinator will include them in their organization order and distribute them to you when they arrive. Ask your Coordinator about your program's ordering schedule to make sure you get your scrip when you need it!

ScripNow eCards

You can order [ScripNow](#) electronic gift cards on ShopWithScrip.com. The eCard will be delivered right to your ShopWithScrip account. You can print it out on your home printer and use it in stores just like a physical gift card, or you can use it for online shopping by entering the card number and PIN at the checkout page.

Reload & ReloadNow

[Reloading](#) is a time-saving option that allows you to add funds to gift cards you've already purchased through ShopWithScrip. Here are a few guidelines to remember when reloading gift cards:

- When Reload orders are placed and paid for before 3:30 p.m. EST, Monday through Friday, the funds will be added to your card overnight! If you pay by check, the funds will be on your card the day after the order is released by your Coordinator.
- Plus, for a growing number of retailers, you can add funds to your cards even faster with ReloadNow™. When you pay for your order with PrestoPay™, funds will be added to your card in minutes, 24 hours a day/7 days a week. If you pay by check, the funds will be on your card minutes after the order is released by your Coordinator.

Ordering Scrip

Shop Page

Use the Shop page to browse the 700+ stores that offer scrip. You can sort and filter through stores in a few different ways:

- ① **Sorting** – View stores either in alphabetical order, or with the most popular first. You can also use the letters across the top of the page to find stores by their starting letter.
- ② **Narrowing Your Results** – In the sidebar to the left, you can check boxes to narrow your selection:
 - View specific categories, like home improvement or grocery.
 - Only list stores with a certain card type available: physical, Reload, or ScripNow.
 - Highlight a range of rebate percentages or available denominations.
- ③ **Scrip Vacations** – If you're interested in paying for a vacation with scrip, click **Get Started**.
- ④ **Retailer Lists** – These links will generate PDF lists including all the stores we have available.

The screenshot displays the Shop page interface. At the top, it shows "Filter Results: 716 items found" and a "Per Page" dropdown set to 24. A "Sort" dropdown is set to "Most Popular". Coordinator Guide
PrestoPay details for program coordinators.

You currently do not have a PrestoPay account. Would you like to activate one?

PrestoPay is a convenient way for you to pay your organization for your order on-line, at the time you place your order. With PrestoPay your payment will be electronically deducted from your checking account, and GLSC will accept your payment on behalf of your non-profit organization.

Once you have successfully enrolled, and verified your bank account information, you will have the option of paying for your order with PrestoPay. When you choose PrestoPay, GLSC will debit your bank account for the amount of your order plus a small convenience fee of \$0.15 on the day you place your order. Your scrip coordinator is notified of your payment and your gift cards will be delivered when your order is released by your coordinator. Contact your scrip coordinator for exact delivery timing.

You can still pay your organization via check, and will have the option to select your payment type each time you order, during the check-out process.

PrestoPay payments are made to GLSC on behalf of your non-profit organization. If one of your families pays for their order with PrestoPay™, and their payment is returned or rejected for any reason, one of the following actions will be taken:

- If the family order has not been released by your organization, we will cancel the family order and CHARGE YOUR NON-PROFIT ORGANIZATION A BANK CHARGE OF \$30.00. Your family will then owe your non-profit organization the \$30.00 fee.
- If the family order has been released by your organization, we will CHARGE YOUR NON-PROFIT ORGANIZATION for the face value of your order, PLUS A BANK CHARGE OF \$30.00. **Your family will then owe your non-profit organization that full amount.**
