Please select the school(s), school system(s), or scholarship fund(s) you would like to donate to.

Only schools that have been recognized by the Illinois State Board of Education (ISBE) are eligible to receive donations to be used for scholarships under the program. Schools that are in 'recognized,' 'pending recognition,' or 'on probation' are considered recognized for these purposes.

Should there be a change in a school's recognition status, donations directed to any school not recognized by ISBE will be recategorized as undesignated donations for the same region in which the school is located, and made available to eligible students on a first-come, first-served basis.
